

Important Notes

For applicants

- Detailed schedule will be informed to participants via email in April.
- You are not allowed to apply for this program if the items below apply to you.
 - 1) If you graduate from your university this year
 - 2) If you have difficulties with English communication
 - 3) If your passport expires this year
- You have to go to Incheon Airport by yourself as bus will not be provided by KNU on July 8th.
- This is a group activity, so normally, Korean food including meat and other kinds of food will be given at cafeteria and restaurants.

For staff of KNU partner universities

- Please nominate student(s) who does not have communication problems in English as this program, especially special lectures, will be offered in English.
- You may nominate one additional student to be put on the waiting list in case of cancellation of application.

For participants

1. Must participate in all lectures and programs diligently and follow instructor's direction (Students who have restriction on participating in field trips and activities should refrain from participating)
2. Prepare for special lectures (Preview on special lectures' topic and prepare one or two related questions for each lecture)
3. Must have travel insurance while staying in Korea (submission of its certificate later)
4. Submit Review on the program (minimum of one page in English)
5. Take the online survey after the end of the program

2019 KNU INTERNATIONAL SUMMER PROGRAM

Kangwon National University
Republic of Korea
July 1st to July 12th, 2019

KNU

Kangwon National University(KNU)

KNU is one of the top 10 Core National Universities in South Korea which is located in Chuncheon the capital city of Gangwon Province.

Boasting of its 71-year history, KNU has been making every effort to respond to the rapidly-changing global era and nurture global talents contributing to the advancement of the nation and the region as a regional stronghold university. KNU has developed into a preeminent research university with 130+ programs, including a medical school and a law school and most importantly, the credentials of 22,000 talented and diverse students striving further and higher year-by-year.

On the strength of ten years of experiences in integrating three campuses in Chuncheon, Samcheok and Dogye, KNU is about to be reborn as a genuine sense of one united university through “Multi-Campus Model.”

KNU International Summer Program

KNU International Summer Program, which is taught and run in English, offers lifelong experiences for undergraduate students who want to learn about Korea by taking short-term courses in Korea for 2 weeks.

Program

This program is especially for students from partner universities who wish to study in Korea but are unable to do so during the regular academic year. Diverse participants from different countries are provided with opportunities to experience real Korean lifestyle, both traditional and modern culture, from our special programs.
